The Lake Gaston Ladies Club (LGLC) was formed in 1976 by a small group of ladies who met together

for fun, fellowship and support. Over forty years later we have a membership of almost 500 women living on the lake in five counties and two states.

We have fun, form friendships, and support each other in countless ways. We meet together for catered monthly luncheons from September through May on the third Tuesday of each month. In addition to luncheons there is a full array of activity groups that cover a variety of interests.

Membership is open to any woman who resides on or owns Lake Gaston Property. Lake Gaston Property is defined as part of an established Lake Gaston subdivision or individual property bordering on the lake. We would love to have you join us.
